Dear Sir:

Applicant hereby notes that the Notice of Allowance which issued in the subject application on August 11, 2008, has an error in the title. The title on the Notice of Allowance reads "MODULATED EXCITATION FLUORESCENCESE ANALYSIS" and should be corrected to read --MODULATED EXCITATION FLUORESCENCECE ANALYSIS--. Although an Office Action issued in connection with this application on November 30, 2007, a Preliminary Amendment was filed by Applicant on February 1, 2007, and an Amendment in Response to Non-Final Office Action was filed by Applicant on May 30, 2008, Applicant asserts that no changes were made to the title by either the Examiner or Applicant in the above documents.

Please, therefore, correct all relevant records and forward a Corrected Notice of Allowance (Forms PTOL-85, 85B, and 85C) to the undersigned attorney of record as soon as

U.S. Patent Application No. 10/561,448
Applicant: Shimon Weiss et al.

possible in order that it may be used to pay the Issue and Publication Fees due in this case by the November 11, 2008 deadline.

It is believed that no fee is required for the filing of this Request for Corrected Notice of Allowance and Fee(s) Due; however, if a fee is determined to be due, please charge the requisite amount to our Deposit Account No. 22-0261.

Respectfully submitted,
